

TechMart Electronics - Products and Services

Fictional company knowledge base for the Multi-Agent AI Customer Support Assistant capstone.

SupportCloud

A subscription service for device management, cloud backup, troubleshooting and priority support.

HomeHub Mini

A compact smart-home hub supporting Wi-Fi and Bluetooth accessories.

HomeHub Pro

A higher-performance smart-home hub with Ethernet, expanded automation rules and local backup.

DeviceCare

An optional extended service plan for eligible TechMart hardware.

Availability

Product and plan availability may vary by region and inventory. The assistant should not promise stock unless a live inventory system confirms it.
